Conspiracy of the Six-Pointed Star

Texe Marrs Lays Out the Facts in Stunning New Book

By Michael Collins Piper

The controlled media in America will never give the publicity to Texas-based Christian evangelist Texe Marrs they give to the likes of such obvious Judas Goats as John Hagee, Tim LaHaye, Pat Robertson and others of that ilk. But despite the fact his name is suppressed in the big media, Marrs has emerged, beyond any question, as the most outspoken and nationally (even internationally) influential Christian evangelist who is daring to openly discuss Zionist power on our planet today.

A prolific writer and speaker through his Power of Prophecy ministry, Marrs has put together a powerful — and substantial — collection of some of his most pivotal writings in an eye-opening 426-page volume, *Conspiracy of the Six-Pointed Star*.

You are guaranteed that once you've opened up this amazing work, you'll find it hard to put down. Subtitled "Eye-Opening Revelations and Forbidden Knowledge About Israel, the Jews, Zionism and the Rothschilds," this over-sized volume (published in 7.5" x 11" format) covers so many diverse topics you'll be absolutely astounded at the assembly of material that Marrs is presenting.

Heard regularly on shortwave at WWCR at 5.070 and on the Internet at powerofprophecy.com, Marrs is an exceptionally well-informed man with a prestigious career preceding his entry into the world of politics and conspiracy.

A career U.S. Air Force officer who spent five years as an assistant professor of aerospace studies, teaching American defense policy, strategic weapons systems and related subjects at the University of Texas, Marrs also taught international affairs, political science and psychology at two other universities.

AMERICAN FREE PRESS has been honored to work with Texe and his wife Wanda and their able staff in presenting two recent forums, one in Washington, D.C. and one in Austin, Texas.

A brief (and most assuredly not anywhere near complete) overview of just some of the contents of Conspiracy of the Six-Pointed Star reflects the diverse selection of subjects that Marrs pursues in no uncertain terms.

Launching his inquiry into the realm of little-known mysticism in ancient Jewish teachings — and no, we don't mean the Old Testament — Marrs dissects the Satanic origins of the conspiracy that holds the reins in our world today. The truth about the secret origins of communism and the intrigue that links that gangster philosophy to both the Zionist movement and international banking in the Rothschild sphere of influence is also unveiled.

Delving into American history, Marrs pulls back the iron curtain of secrecy surrounding the Freemasonic and other forces that manipulated President Harry Truman and continued throughout the 20th century to wage war against the American republic and Christianity itself.

Marrs lays out some disturbing facts about the origins of the Bush and Clinton dynasties and also bares the truth about other big names including John McCain, Glenn Beck, Sarah Palin and — needless to say — Barack Obama as well as some of the hidden controllers manipulating the good grassroots Americans who have rallied behind the pro-Israel factions of the tea party movement.

A particularly fascinating segment of the book explores the little-known history of famous American chess champion Bobby Fischer who — although of Jewish origin — became a fervent critic of international Zionism. Nobody anywhere has ever examined Fischer so thoroughly as Marrs has.You will be absolutely overwhelmed by Fischer's story.

You simply have to get this book and, when you do, you'll marvel at the amount of data that Marrs has put together in these pages. If you're looking for a book grounded in good-old-fashioned Christianity — real Christianity, that is — and Americanism that puts everything together in a fast-moving, easy-reading fashion, Conspiracy of the Six-Pointed Star is it. This summer, take the time to sit down with Texe Marrs and find out what the people behind this conspiracy don't want you to know.

This large book (426 pages with hundreds of B&W photos and illustrations) is now available through AFP's FIRST AMENDMENT BOOKS. It's $30 plus $5 S&H inside the U.S. AFPRC members can get the book for $27 plus $5 S&H. (Outside U.S. add $11 S&H.) Order from FAB, 645 Pennsylvania Avenue SE, #100,Washington, D.C. 20003.You can also order online at www.americanfreepress.net.

Michael Collins Piper can now be heard on the Internet at michaelcollinspiper.podbean.com. He is the author of ***Final Judgment***, the controversial "underground bestseller" documenting the collaboration of Israeli intelligence in the assassination of John F. Kennedy. He is also the author of ***The High Priests of War***, ***The New Jerusalem: Zionist Power in America*** , ***The Judas Goats: The Enemy Within***, ***Dirty Secrets: Crime, Conspiracy & Cover-Up in the 20th Century***, ***The GOLEM: Israel's Hell Bomb***, and ***Target: Traficant.*** These works can be found at America First Books and First Amendment Books: 1-888-699-NEWS. He has lectured on suppressed topics in places as diverse as Malaysia, Japan, Canada, Russia and Abu Dhabi.
